ENDOSCOPE WASHER AND DISINFECTOR MACHINE

**Water to Water:** Mechanical cleaning system which Works with the fluid's own dynamic without injection onto the objects is named water to water technology.

**DoubleTankDisinfectant:** A system which contains disinfectant materials of colonoscopes and gastroscopes ( or bronchoscopes ) in different containers (Double disinfectant tank) in decontaminated enviroment.

**ScopeMemory:** A method which records and transmits the datas of disinfection process with ScopeMemory at ISO standart (Who did? When? Which method is used?). Additionally, system has a digital alarm with sound as a reminder of changing process of disinfection materials.

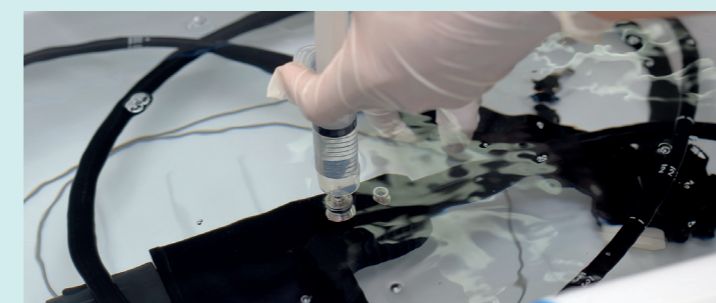

**TriSoft:** A system which brings the waters that has different chemical properties to similar qualities with triple filter.

**MultiDisinfectant:** Powerful technologic construction which can use no-name disinfection material (automatic machine disinfectant) with MultiDisinfectant.

**MultiTypeScope:** System has an internal construction which can wash and disinfect all types and brands of endoscopes with MultiTypeScope

**Eco-Friendly Design:** Electromechanic control system provides less consumption of water/disinfectant and it's eco friendly

Leakage Tester	Air and Water
Operating Procedure	Washing 1 second – 24 hour
	Disinfection 1 second – 24 hour
	Detergent 1 second – 24 hour
Programs	Pre-Cleaning (optional)
	Detergent-Enzymatic (optional)
	Rinsing (optional)
	Disinfectant (optional)
	Last Rinsing (optional)
	Alcohol Inject (optional)
	Air (optional)
Tank Capacity	Disinfectant1 : 15 liters
	Disinfectant2 : 15 liters
	Water : 15 liters
	Concentrated Disinfectant : 5 liters
	Detergent-Enzymatic : 5 liters
	Alcohol : 5 liters
Couplers	2-4 Outlets in cleaning Base (1 Scope)
	4-6 Outlets in cleaning Base (2 Scopes)
Discharge	1 outlet behind machine (automatic)
	3 outlets in the front door ( manual)
Power	AC 220/230V, 50/60Hz
Weight	90 kg
Dimension	600x860x1050 mm ( W x D x H )
Options	Printer + Data Transfer + Heating System + Spraying + UV + RFID
